Connecting Women in Business

South Rodney

What happened in June

Staying Sane and focused as you climb your mountain was the topic delivered by our dynamic June speaker Katrina Winn. Her presentation was informative upbeat and sprinkled with humour. Katrina encouraged us to think about ourselves and to have self care, Watch out for stress it is a serious de -motivator. Women always find that inner

strength when the going gets tough which is what makes us extraordinary. In 2007 Katrina launched her dream business www.womenz.co.nz a website for women offering a safe online platform. South Rodney Her Business Network is proud to announce that we have a nominee in the Her Business Awards. Good luck to Niki Davidson director Gusto Gourmet Whangaparaoa.
