Connecting Women in Business

South Rodney

May 2008

All those that attended the April event were enthralled with Penny Webster our speaker. So down to earth and easy to talk to. We were well looked after by the staff at The RSA and enjoyed the tasty dinner by Bernard the Chef. Our new sponsor Lingerei World Silverdale have supplied gift vouchers to the end of the year. Two April networkers won

vouchers for Triumph Bra & Brief set total Value \$125

Networking to success and wealth creation

A great database does not a wealth network make

How many networking articles have you read? The ones that tell you how to enter a group, leave a group and hand out your business card. The ones that give you

techniques for being more comfortable.

What if I told you, if you didn't like it, you didn't have to network? What if I told you I know a shy person, who can meet no one in a week and still add 30-40 people to his network each week? Would you want to know how?

Hear Rustica's journey in 2007 that saw her find her flow and build an international network of entrepreneurs, this story was rated 'inspirational' by many people at a recent international conference in Bali. How to network without networking, if it's not your thing, you don't have to, but still be able to build your network
