October 2007 Rodney newsletter

Great to see many of you at our September event to hear Sally Anderson share something of her incredible story of survival. Sally overcame 20 years of self abuse as a result of being the victim of the most horrific gang rape horror in our history. Sally is a survivor in the true sense of the word and now imparts proven techniques for living life to the fullest potential possible.

Many of you are now waiting for her book 'Freefall' to be released. As soon as we have all the information I will let you know. Meantime you can head to www.sallyanderson.com to find out what else is on offer!

Please note that we will not be meeting the usual Wednesday in November. Instead we are joining with North Harbour for a **special Pre Xmas event on 21 November. Venue: TBA. Keep this date free and diary now!**

How many of you manufacture or sell product that is suitable for Xmas gifts??? At the Pre Xmas event you will be able to display your wares to those attending and hopefully take some of our pressie headaches away. Condition? Ten percent of all sales on the night will be collected to donate to the Womens' refuge. Let me know now if you are keen to participate. Apart from that, head to www.herbusinessrodney.co.nz to RSVP for our October event!
